SECOND SAFFOLD LYNCHING. BAINBRIDGE, GA., July 25.—Charles Mack, the second of the Ogletree crimi nals, was lynched this morning at Saf-fold. His crime was committed in Early county, and citizens of this (Decatur) desired that an innocent county should not suffer the odium of a lynching committed by citizens of another county.

Mack was therefore taken to Saffold, the scene of his crime, in Early county When that place was reached the mob found the body of Louis Sammin, who had been lynched forty-eight hours be fore, still swinging to the limb on which it had been left. Mack was carried be fore Mrs. Ogletree. She recognized him at once, as did also her husband. Mack then made a confession to every fact ex-cept holding a pistol to Ogletree's head hite Sammin committed his assault on which hung the body of Sammin and strung up. As he was pulled off the ground his body was riddled with bullets REPORTED LYNCHING DENIED.

Root to Succeed Him Aug. 1st-Cablnet Considers Boundary Question. WASHINGTON, July 25 .- The feature: of the Cabinet meeting to-day were the farewell of Secretary Alger and the pre sentation of his successor, Mr. Root. The latter's greeting was pleasant and cordial. He remained but a few minutes, leaving shortly after noon to catch the 2:45 train for New York. When he left the White House he said he would return and forcibly presented by Councilman and assume charge of the War Department August 1st. Shortly after Mr. Root ussed the matter at some length, and had left Secretary Alger made his adjeus He shook hands with the President and each member of the Cabinet. In saying farewell there were many kindly expres dons of regret and exchanges of good wishes.

The Cabinet remained in session about three-quarters of an hour after General Alger's departure. There was a general cleaning up of little odds and ends, prethe Alaska boundary dispute. #### ANOTHER ANTI-GOEBEL MEETING

John Brown Young for Governor-Convention Called for Aug. 30th. LOUISVILLE, KY., July 25 .- A meeting was held here to-night in furtherance of the plan of disaffected Democrats to effect an organization in this State, hold a convention, and nominate a State ticket in opposition to the one headed by Wil-Ham Goebel, who was nominated here in June. About 1,000 people attended the meeting, among the most prominent being William H. Sweeney, of Marion coun ty, who was the Hardin candidate for temporary chairman of the June conven tion, and other leaders of that faction During the evening Mr. Sweeney made this announcement: "I come to-night from the greatest Governor of Kentucky Hon, John Young Brown, who told me he would accept your nomination and make the fight against Goebel to the last ditch." Professor Mallet made a careful inves-tigation of the water plant, and is ex-pected to submit a report as to the best means of filtration, and the probable cost of the analyses and experiments neces-sary to arrive at a definite conclusion. In a general way the respective merits of mechanical and natural sand filtration were discussed, together with the ad-vantages and disadvantages of storing water. It will be remembered that the Council has appropriated \$2,000 for the purpose of experimenting in methods to clear and purify the water, and this work in to be actively prosecuted. This problem, which has fer so long a time been vexing the city officials, will, it is expected, be so ved next autumn.

MANY CHEMISTS IN THE FIELD. A number of local physicians and chem ists have made application to the Com-mittee on Water for the work of making the analyses that will be necessary to determine the best methods of filtering. Much will depend, however, upon the report of Professor Mallet, who, it is under stood, is willing to take charge of the work himself and who has always manifested great interest in the clearing of

the James-river water. Superintendent Bolling has been industriously seeking light upon the subject and consulting authorities, and the meeting next Thursday promises to be extremely interesting, as well as highly Professor Mailet left for his home last

1st, and the First Mill to Be Ready Five Months Later.

The plant of the James-River Falls Paper and Pulp Company, recently organized in this city, is to be located on the site of the Gallego Corn-Mills, and not on the Haxali mills property, as was origi-

nally intended, The old corn-mills and adjoining property, which was sold at auction some few weeks ago, and purchased in the name of Mr. Richard Mead, was not bought for Mr. George Pope, as was be-Heved at the time, but for the abovenamed company. The valuable waterpower rights of the mill were sold with the property, and it was this fact the made the site such a desirable one for

REASON FOR THE CHANGE,

The change of the location for the plant was governed chiefly by the possibility of the mills absolutely free and independent of the Virginia Electrical Railway and Development Company, or any other vendors of motive power, but in a measure also by the fact that the Chesapeake and Ohlo viaduct is to cross the property owned by the Pulp Mills Company adjoining the Development Company's plant. The former company still owns four and one-half acres of land formerly

occupied by the Haxall Mills. It is the intention of the officers of the mils company to build, first, on the site of the old corn-mills. The rest of the property owned by them will be used as

WORK SOON TO BEGIN. Engineers were upon the ground yes-terday, surveying, and it is expected that building operations will be begun about September lat next, and will occupy about five months. Some modification of the original plans has been readered neces-sary by the change of site, and these are now being made by the New York archi-tects, and the engineers who are at pres-
